Timberlake members and their guests are required to follow all Federal, Washington State, Mason County and/or Timberlake Community Club (TLCC) Lake Rules/Regulations/Restrictions and Laws. The following TLCC Lake Safety and Use Rules are meant to keep all lake activities as safe as possible while considering how to reduce potential boat wake damage to shorelines, bulkheads, docks, and member's personal property. TLCC members are responsible to inform their guests and ensure that they abide by the TLCC Lake Safety and Use Rules.

Also, move away from people on stand-up boards, kayaks, canoes, slow moving boats, people fishing, and all animals.
- b. Swimmers, Floaters, Slow Moving Boats, Kayaks, Canoes, Stand-up Boarders, etc.; stay on the shoreline side of the buoys and closer to the shoreline. This will help provide a greater safety buffer from boats traveling at higher speeds.
