NOVEMBER 2022 NEWSLETTER

MESSAGE FROM THE PRESIDENT

Water Managers Marcus Vinds's mother passed away. Our heartfelt sympathy goes out to his family.

There is not much going on in the water department just waiting for the new water line to be finished. They are making the new service hook ups now. The rain has arrived finally, and the mowers are being winterized and put away. Several members voiced their concern after seeing young kids jumping from the Island bridge this summer, so a new sign will be installed on Island Bridge that will say NO DIVING OR JUMPING FROM BRIDGE.

I would like say welcome aboard to our new board member Richard Taylor. Mr. Taylor is replacing Mr. David and will complete Mr. David's term on the board. This will bring our Board of Directors to a total of seven. The yearly food drive by the Activity Committee is going on so please help, give what you can. Hope to see you at the Community Meeting on Saturday the 19th at 10:00 AM.

Have a great month and enjoy THANKSGIVING.

Terry L Hubbard, President

MESSAGE FROM THE WATER DEPARTMENT

We have gotten all the back flow preventers tested for the year. We have rebuilt the bridge at the frog pond and have started winterizing the park restrooms. Once finished the restrooms will not be available for use until April.

Levi Giberson, Maintenance Department

ACTIVITY COMMITTEE

Our summer activities are over, and Fall has finally arrived. The Activity Committees' last big event of the summer was our annual Ice Cream Social over Labor Day weekend which was quite successful with over 200 members attending. Now the Committee is full swing into our event-packed holiday season! We had 12 houses with some great decorations compete in this month's Halloween House Decorating Contest and will be announcing our Top 3 winners very soon. Thank you to our Timberlake members who were among the 15 tables taking part in our recent crafts fair on 10/22. We had a wide variety of local homemade crafts and great participation from Timberlake customers. Committee members also brought back Movie Night with a Halloween

twist, with a showing of Hocus Pocus at the MPC on October 29th. To round out the Halloween season, the Activities Committee again organized our popular Trunk or Treat on 10/31.

October is just the beginning of Activities' slate of holiday events. Returning this year will be the Chili Cook-Off contest on November 12. The Committee is also running a Food Drive at the MPC during the first half of November for families in need in the Pioneer School District community. Stay tuned for our exciting December holiday activities which the committee will be finalizing plans for during our Nov. 1 meeting.

As always, if you are interested in becoming a member of the Activities Committee, please attend one of our meetings held on the first Tuesday of each month at 6pm.

Steve Dippery, Activity Committee Chair

EVENTS SCHEDULE

Nov 12	Chili Cook Off	MPC 11a.m. – 1 p.m.
Nov 1-18	Food Drive	MPC

COVENANTS/PERMITTING COORDINATOR'S MESSAGE

I have been staying busy and am continuing to work on a several covenant cases, new and old. Thank you to all of you for working with Timberlake, and for following the rules of the lake. Unfortunately, several fines have been issued due to not following the rules. Permits continue to trickle in but have slowed down tremendously compared to the last few busy years. Please call Timberlake and Mason County to see if a permit is required for your project. Give us a call, we are here to help.

Angi, Covenants-

RULES COMMITTEE

Your neighbors invite you to join them on the Rules Committee. Some topics we'll be looking at are: the saltwater recreation area, standards for Committees, some rules for yard and estate sales and removing obsolete documents listed on the Timberlake website. Do you have an idea or an opinion!!! If you do (and I know you do) please come and join us, first and third Thursday starting at 6:00 pm at the MPC. Meetings are informal and fun, and all ideas and input are welcome.

Si ~ Rules Committee Chair

MESSAGE FROM THE OFFICE

Hello everyone. I would like to remind everyone that we receive many calls about speeding and civil matters (neighbor to neighbor disputes). There is not anything that the office can do about these situations as we cannot get involved in chasing speeders or civil matters. If you would like to report any of these situations, please call the sheriff at (360) 426-4441 Also if you need to report anything to Timberlake, please do so by calling the office not employees personal cell phones.

Gena Scott, Office Manager

I hope everyone has been staying warm on these cold nights! I've been getting the hang of our billing system the last couple months, learning about the rules and covenants in the community, and meeting so many of you wonderful members! You have all made me feel very welcomed and thank you so much for that. Things have been busy the last few months and are coming to a slower pace with these cold temps! There isn't much to report on this time, but I am wishing everyone a happy holiday season and good health.

Shayla Hahn, Office Assistant
